

EHS JANUARY 2024 NEWSLETTER

Principal's Message

Happy New Year!

High school students have approximately two weeks remaining until the end of Semester 1. **All overdue assignments must be submitted by 3:30 on Friday, January 19th.** Failure to do so results in permanent zeroes for any outstanding assignments, which could affect credit attainment for some students. Classes will continue for seniors beyond this date with new learning and assignments. **The last day of classes for Grade 11 and 12 is January 23rd, and for Grade 10 it is January 25th.**

Grades 11 and 12 final exams begin on January 24th. Grade 10 final exams begin on January 26th. Finals must be written regardless of vacations, illness, or inclement weather. Our school division's Final Exam Administrative Procedure outlines that students are required to write finals in math, science, and ELA classes. Some teachers may opt out of administering a final exam; instead, using alternate assessment measures such as final projects or essays.

Please refer to the exam timetable in this newsletter to ensure your child attends to write on the correct dates/times and prepares for their exams. There is no school for students on January 31st; this is our semester turn-around day. Semester 2 starts February 1st, and Grades 9 to 12 report cards will be available to view in Edsby then.

We wish your family all the best in 2024! If you have any concerns, please call or stop by to chat with us.
